

SHOWER SEATS

125

Code 125 Bradgate Shower Stool

Adjustable plastic coated tubular shower stool. Polypropylene seat with a cut-away front, drainage holes, removable for ease of cleaning.

Seat dimensions:-

Depth 350mm Width 400mm

Seat height adjustment 450mm – 600mm

126

Code 126 Bradgate with Material Back

Seat dimensions:-

Depth 350mm Width 400mm

Seat height adjustment 450mm – 600mm

127

Code 127 Bosworth Shower Bench

An adjustable height shower bench with a heavy duty perforated injection moulded plastic seat. The seat simply clips onto the tough plastic coated steel frame and can be removed for ease of cleaning. This seat has the advantage over steel seats in that it is warm to the touch and does not rust.

Dimensions:-

Width between arms 19" (485mm)

Seat size 15" x 11" (380 x 280mm)

Height adjustment range 20½" – 25½"
(515 – 650mm)

Base size 18" x 15" (455 x 380mm)
