

RAISED SEAT AND FRAME

165

Code 165 Stamford Combi Scandia

A sturdy, height adjustable, peel resistant plastic coated metal frame with a clip-on, one piece moulded seat. The seat has been designed with the comfort of the user in mind and features a partial cut-away at the front and rear to facilitate personal hygiene. The lugs on either side of the seat at the rear are positioned between two structural cross members on the frame, which ensures a safe, snug and stable fit. The whole frame can then be positioned over the toilet.

Dimensions:-

Depth 480mm. Width between arms 530mm
Adjustable range from floor
to top of seat 455mm – 605mm

Code 165F Stamford Combi Scandia with Floor Fixing Flanges
