

PERCHING/KITCHEN/SHOWER STOOLS

A range of practical, heavy-duty stools, manufactured in high grade steel with a tough plastic coating. The adjustable models all have front to back bracing struts for additional strength. The seats ($13\frac{1}{2}$ " 340mm x $11\frac{1}{2}$ " 280mm) are padded and angled for improved posture and are PVC heat sealed conforming to the required fire regulations. Extension legs are chrome plated to BS1224 and are fitted with non-slip ferrules.

Code 501T
Fixed height 24"
(610mm) at front

Code 501S
